

# COVID - 19 PROTOCOLS

Over the past two months, life has changed rapidly for all of us and we have all adopted new health and safety precautions.

In preparation for our re-open we have invested new safety protocol and guidelines provided by the CDC, the state of Maine, as well as our Maine Retail Association. These protocols are to protect our shoppers and our team members.

**If you have been exposed to COVID-19 recently or have symptoms (including a fever, cough, or shortness of breath) please help us keep everyone safe by staying home.**

*We look forward to seeing you in our stores soon!*

- ✓ All stores will follow strict cleaning procedures established by the CDC.
- ✓ Increased cleaning and sanitizing frequency in all common areas and restrooms.
- ✓ Reduced customer count within the stores.
- ✓ Social distancing markers and signage to keep you safe.
- ✓ All promotions where groups gather have been postponed.
- ✓ Convenient Curbside pick-up locations will be clearly marked. Please check with individual store to see if they are offering this service.
- ✓ Shoppers will need to wear a face mask when visiting our stores and at any time when social distancing is not possible.
